

## Online Trails End Popcorn Sale

In addition to the traditional popcorn sale Scouts can also sell popcorn online. Below is a summary of how Scouts and leaders can get set up to sell popcorn online. If you have additional questions about selling popcorn online email [help@trails-end.com](mailto:help@trails-end.com).

### SCOUTS SETUP

On the new trails-end.com, each Scout will self-register and create his Scout ID. Here are steps to create a Scout account to sell online:

1. Go to trails-end.com
2. Click on Scouts (at the bottom)
3. Click on Create An Account (in the upper right-hand corner)
4. Under Create A New Account, fill in the required fields

Scouts will need a valid email address to register and if they are under the age of 13, they will need their parent's permission. Once registration is complete, a seven digit Scout ID is automatically generated – ***this Scout ID will be listed in the upper right-hand corner when a Scout is signed in under his account.*** This Scout ID is what family and friends will use on trails-end.com to support a Scout and purchase Popcorn.

### LEADERS SETUP

Leaders will need to create a new account (separate from the Popcorn System) ***to view registered Scouts and their online*** sales. Below are steps to create this account:

1. Go to leaders.trails-end.com
2. Click on View Online Sales (in the upper right-hand corner)
3. Under Create A New Account, fill in required fields

The trails-end.com validation code for all Leader accounts is popcorn. It is case sensitive.
