

Wilderness First Aid

Course Description

Designed for high adventure Boy Scouts and Boy Scout Leaders, outdoor enthusiasts and anyone who works or spends time in remote environments. This course teaches advanced skills to be used in emergencies when help from professional first responders may be far away. Based on the Boy Scouts of America Wilderness First Aid Curriculum and Doctrine Guidelines, this course aligns with OSHA's Best Practices for Workplace First Aid Training Programs.

February 24 – 26th, 2017
